## Chair's Letter

Jeannie Johnson Harrington

It has been quite a while since we prepared *The Dividend*—Spring 2012 to be exact! A lot has changed here in the MTSU Department of Accounting, including the chair position. Smitty (former chair

G. Robert Smith Jr.) retired to the Smoky Mountains and is quite happy. I just completed my first full year as chair of the department. What a year we had with students, faculty, alumni, community college professors, and the business community!

TENNESSEE**  
STATE UNIVERSITY.

JONES COLLEGE OF BUSINESS  
Department of Accounting

## Highlights:

### Students

- The **Master in Accountancy (M.Acc.)** program was rated 39th by Online Accounting Degree Programs. Our program is a jewel, expertly directed by **John Wermert**. We now require the Becker CPA Review course in the program, and not only did it increase our pass rates, but it also created a needed focus. We will be looking at additional tracks in the future, which may result in supplementary credentials.
- **Beta Alpha Psi (BAP)**, led by master mentor **Paula Thomas**, maintained its Superior Chapter status and had a full agenda of professional and community service activities. MTSU qualified two competition teams for the spring regional meeting, with the team of **Brandon Taylor, Sarah Ford, and Russel Legreid** receiving third place in their division. **Mary Anne Hagan** was selected as one of 72 students worldwide to compete for **BAP's Project Run with It** in August. **Taylor** and **Bailey Bogle** led BAP in the fall and spring semesters last year, respectively. **Legreid** will take over this fall as president.
- The **Institute of Internal Auditors** student group, advised by **Audrey Scarlata**, had great speakers and sent students to the annual national conference in Orlando in September. **Anna Chanthalasy** served as president.
- Both the **National Association of Black Accountants** and the **Institute of Management Accountants** student groups took breaks this year. We hope to get those running full force next year.
- We noticed a void in our student activity for newcomers and started **Accounting Connections (AC)**. This club met monthly and had panels to introduce the accounting profession, offer advice from upperclassmen, learn about internships and leadership conferences, and discover new credentials and opportunities in professional student organizations. AC was a big hit with 32 members. Sarah Bowen served as president.
- Last but not least, we were able to secure **\$49,500 in scholarships** for deserving MTSU Accounting students and award them at our first annual **Accounting Awards Banquet** in April.

### Faculty

The faculty at MTSU are second to none in their commitment and dedication to student success. All of our faculty are deserving of awards but a few received special recognitions:

- The **Accounting Advisory Board** awarded a three-year professorship to **Rebecca Foote** for her outstanding leadership and mentoring.
- **Accounting Advisory Board Partnerships** were awarded to **Sandy Benson** and **Stan Clark** for their exceptional work in teaching, research, and service.
- **Sandy Benson** earned the E.W. "Wink" Midgett **Award of Faculty Excellence** for the MTSU Jones College of Business for the highest quality in all areas of teaching, research, and service.
- **Paula Thomas** received the **Tennessee Society of CPAs (TSCPA) Distinguished Achievement in Accounting Education Award** for her excellence in classroom teaching and active involvement in the accounting profession.

### Alumni

- We held our first **Alumni Appreciation Reception** Sept. 29, 2016, at MTSU's Miller Education Center on Bell Street in Murfreesboro. It was wonderful to see so many of our fantastic accounting alumni!
- At the reception, we recognized **Bill Mooningham** posthumously with an **Outstanding Alumnus Lifetime Achievement Award** for his unequalled service, dedication, and generosity to the MTSU Department of Accounting.
- Congratulations to **John West**, who was selected for the inaugural **Bill Mooningham Distinguished Alumni Award** at the reception! He is such a fantastic mentor to our students and benefits our department with his wisdom on the Accounting Advisory Board and his time commitment to our programs.
- We will be holding this year's reception at MTSU's Miller Education Center on Thursday, Sept. 28, and are accepting nominations for the 2017 Bill Mooningham Distinguished Alumni Award.

### Additional Events

- The **Community College Connection**, expertly guided by **Rebecca Foote**, took place March 31. We reviewed our Intermediate Readiness Initiative and coordinated curriculums with community college professors from five different Tennessee schools to smooth the transition for transfer students.
- With the help of the **TSCPA**, we hosted 234 students from 11 high schools in the Middle Tennessee region on **Discover Accounting Day** for a fun day learning about opportunities in accounting.

- ▶ We had four **Continuing Professional Education (CPE) seminars**—State Tax Seminar, CPE Day, Tim Koski's Tax Seminar, and the 26th annual Alumni Appreciation Day. We will be presenting these seminars again in 2017–18. Be sure to mark your calendars! Check the schedule at [mtsu.edu/accounting/seminars.php](http://mtsu.edu/accounting/seminars.php).
- ▶ Finally, MTSU has a **study abroad program in Accounting**. **Tammy Bahmanziari** and I took 18 students on a 10-day cultural experience to London and Paris in May. We participated in educational sessions at **Ernst & Young London**, the **Mini Cooper plant**, **Oxford University**, the **International Accounting Standards Board**, **Deloitte London**, and **Deloitte Paris**. We also hosted guest speaker **Billejo Helm**, HCA London director of workforce planning, at our welcome dinner. It was a fantastic experience for all!

For those of you who don't know me, I will tell you a little bit about myself. I came to Nashville in 1983 to work for what is now Puryear, Hamilton, Hausman, and Wood

after graduating from Murray State University. While working there, I obtained my M.B.A. from MTSU and started teaching under Accounting Chair Bill Grasty. He encouraged me to obtain my doctorate, which I gladly earned at the University of Kentucky. I have been on the full-time faculty since Spring 1994 and have taught Principles I and II, Survey, Intermediate I and II, Cost, Managerial, Advanced Cost, Graduate Cost, International Accounting, International Financial Reporting Standards, and most recently the study abroad course to London and Paris. That is quite a lot of topics but it gave me a great perspective of the many facets of an accounting education. I believe in continuous learning and improvement and am looking forward to leading this great group in 2017–18! Please let me know if I can help you in any way!

## Student Spotlight: Sarah Ford

Sarah Ford

Sarah Paige Ford graduated from Siegel High School in Murfreesboro in 2006 and attended MTSU, receiving a degree in Instrumental Music Education. Right after graduation, she moved to Texas and taught private percussion lessons at middle schools. She met her husband in Texas, then brought him back to

the middle Tennessee area where they were both band directors for middle schools.

After a while, Ford was ready for something different. She input “music education” into a job search site and did not see many options. She then entered “accounting” and saw thousands of job opportunities. Ford had taken Principles of Accounting I and II with her music education degree because her parents had suggested exploring this career. At the time she resisted, but decided this was a good time to take advantage of the more lucrative opportunities.

Ford re-enrolled at MTSU in Spring 2015, taking Intermediate Accounting I and other Accounting courses. She got heavily involved in Beta Alpha Psi and landed an internship with Ernst & Young in Spring 2016. After completing undergraduate Accounting courses in Summer 2016, she enrolled in MTSU’s Master of Accounting (M.Acc.) program

and has passed several parts of the Certified Public Accountant (CPA) exam. She will complete her M.Acc. this summer and start working full-time at EY this fall.

All of the MTSU Accounting faculty have been impactful, Ford said, especially Paula Thomas for her help with Beta Alpha Psi, Rebecca Foote for her guidance, and Stan Clark for his excellent teaching and mentorship. She indicated that Accounting faculty go above and beyond for students who show their commitment to work hard. Faculty encouraged her to get involved with student groups, take the CPA exam, and learn about different job opportunities.

Ford jumped in wholeheartedly with Beta Alpha Psi. She was on two successful competition teams, served as treasurer and vice president for reporting, and worked on Project Run with It. She received the Alumni Day Service Award this spring for her dedication.

She learned a lot from her middle school teaching days that applied to her accounting education and upcoming accounting career. Ford says to learn fundamentals, practice a lot, have patience, and know that everyone has different learning styles. She credits her teaching career for her dramatic improvement in working with others.

Ford and husband Austin live in Nashville with their two cats. Her hobbies are baking and hiking. She participated in the study abroad program in May and is looking forward to the vast opportunities the accounting field has to offer!
