Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery Support, Research/Evaluation of Abatement Strategy Efficacy)

Strategy – Schedule A (Core Strategies)	Section Number	Language
Education/ Training	A1	Expand training for first responders, schools, community support groups and families
Harm Reduction	A2	Increase distribution to individuals who are uninsured or whose insurance does not cover the needed service
Treatment	B1	Increase distribution of MAT to individuals who are uninsured or whose insurance does not cover the needed service
Primary Prevention	B2	Provide education to school-based and youth-focused programs that discourage or prevent misuse
Treatment	B3	Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders
Treatment	B4	Provide treatment and recovery support services such as residential and inpatient treatment, intensive outpatient treatment, outpatient therapy or counseling, and recovery housing that allow or integrate medication and with other support services
Primary Prevention	C1	Expand Screening, Brief Intervention, and Referral to Treatment *("SBIRT')* services to non-Medicaid eligible or uninsured pregnant women
Treatment	C2	Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co occurring Opioid Use Disorder *("OUD")* and other Substance Use Disorder ("SUD")/Mental Health disorders for uninsured individuals for up to 12 months postpartum
Recovery Support	C3	Provide comprehensive wrap-around services to individuals with OUD, including housing, transportation, job placement/training, and childcare
Recovery Support	D1	Expand comprehensive evidence-based and recovery support for NAS babies
Recovery Support	D2	Expand services for better continuum of care with infant need dyad

Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery Support, Research/Evaluation of Abatement Strategy Efficacy)

Recovery Support	D3	Expand long-term treatment and services for medical monitoring of NAS babies and their families
Primary Prevention	E1	Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments
Recovery Support	E2	Expand warm hand-off services to transition to recovery services;
Recovery Support	E3	Broaden scope of recovery services to include co-occurring SUD or mental health conditions
Recovery Support	E4	Provide comprehensive wrap-around services to individuals in recovery, including housing, transportation, job placement/training, and childcare
Recovery Support	E5	Hire additional social workers or other behavioral health workers to facilitate expansions above
Treatment	F1	Provide evidence-based treatment and recovery support, including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system
Treatment	F2	Increase funding for jails to provide treatment to inmates with OUD
Primary Prevention	G1	Funding for media campaigns to prevent opioid use (similar to the FDA's "Real Cost" campaign to prevent youth from misusing tobacco)
Primary Prevention	G2	Funding for evidence-based prevention programs in schools
Primary Prevention	G3	Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the CDC's Updated Clinical Practice Guideline for Prescribing Opioids, the Tennessee Department of Health Chronic Pain Guidelines, and current evidence
Primary Prevention	G4	Funding for community drug disposal programs
Harm Reduction	G5	Funding and training for first responders to participate in pre- arrest diversion programs, post-overdose response

This format was created to assist with reporting on funding received by Tennessee counties and community grants.

Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery Support, Research/Evaluation of Abatement Strategy Efficacy)

		teams, or similar strategies that connect at-risk individuals to behavioral health services and supports
Harm Reduction	H1	Provide comprehensive syringe services programs with more wrap-around services, including linkage to OUD treatment, access to sterile syringes and linkage to care and treatment of infectious diseases
Research/Evaluation of Abatement Strategy Efficacy	I	Evidence-based data collection and research analyzing the effectiveness of the abatement strategies within the state
Strategy – Schedule B (Approved Uses)	**Section Number**	**Language**
Treatment	AA1	Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment *("MAT')* approved by the U.S. Food and Drug Administration
Treatment	AA2	Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine *("ASAM')* continuum of care for OUD and any co-occurring SUD/MH conditions
Treatment	AA3	Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services
Treatment	AA4	Improve oversight of Opioid Treatment Programs *("OTPs")* to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment
Treatment, and Recovery Support	AA5	Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose
Recovery Support	AA6	Provide treatment of trauma for individuals with OUD *(e.g.,* violence, sexual assault, human trafficking, or adverse childhood experiences) and family members *(e.g.,* surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma

Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery Support, Research/Evaluation of Abatement Strategy Efficacy)

Treatment	AA7	Support evidence-based withdrawal management services for people with OUD and any co-occurring mental health conditions
Education/Training	AA8	Provide training on MAT for health care providers, first responders, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including tele-mentoring to assist community-based providers in rural or underserved areas
Treatment	AA9	Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions
Treatment	AA10	Offer fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments
Treatment	AA11	Offer scholarships and supports for behavioral health practitioners or workers involved in addressing OUD and any co-occurring SUD/MH or mental health conditions, including, but not limited to, training, scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas
Treatment	AA12	Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 *("DATA 2000")* to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver
Treatment	AA13	Disseminate web-based training curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service-Opioids web-based training curriculum and motivational interviewing
Treatment	AA14	Develop and disseminate new curricula, such as the American Academy of Addiction Psychiatry's Provider Clinical Support Service for Medication-Assisted Treatment
Recovery Support	BB1	Provide comprehensive wrap-around services to individuals with OUD and any co occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare
Treatment, and Recovery Support	BB2	Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case

Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery Support, Research/Evaluation of Abatement Strategy Efficacy)

		management, and connections to community-based services.
Treatment, and Recovery Support	BB3	Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions
Recovery Support	BB4	Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved mediation with other support services
Recovery Support	BB5	Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions
Recovery Support	BB6	Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co occurring SUD/MH conditions
Treatment, and Recovery Support	BB7	Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions
Recovery Support	BB8	Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions
Recovery Support	BB9	Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery
Treatment, and Recovery Support	BB10	Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family
Education/ Training	BB11	Provide training and development of procedures for government staff to appropriately interact and provide social and other services to individuals with or in recovery from OUD, including reducing stigma
Education/ Training	BB12	Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment

This format was created to assist with reporting on funding received by Tennessee counties and community grants.

Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery Support, Research/Evaluation of Abatement Strategy Efficacy)

Recovery Support	BB13	Create or support culturally appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans
Recovery Support	BB14	Create and/or support recovery high schools.
Education/ Training	BB15	Hire or train behavioral health workers to provide or expand any of the services or supports listed above.
Education / Training	CC1	Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment
Primary Prevention, and Harm Reduction	CC2	Fund SBIRT programs to reduce the transition from use to disorders, including SBIRT services to pregnant women who are uninsured or not eligible for Medicaid
Primary Prevention, and Harm Reduction	CC3	Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common
Primary Prevention	CC4	Purchase automated versions of SBIRT and support ongoing costs of the technology.
Treatment	CC5	Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments
Education/ Training	CC6	Provide training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services
Treatment	CC7	Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into clinically appropriate follow-up care through a bridge clinic or similar approach
Treatment,	CC8	Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose
Treatment	CC9	Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event

Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery Support, Research/Evaluation of Abatement Strategy Efficacy)

Treatment, and Recovery Support	CC10	Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any cooccurring SUD/MH conditions or to persons who have experienced an opioid overdose
Recovery Support	CC11	Expand warm hand-off services to transition to recovery services
Primary Prevention, and Treatment, and Recovery Support	CC12	Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people
Education/ Training	CC13	Develop and support best practices on addressing OUD in the workplace
Education/ Training	CC14	Support assistance programs for health care providers with OUD
Treatment	CC15	Engage non-profits and the faith community as a system to support outreach for treatment.
Treatment	CC16	Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions
Treatment	DD1.1	Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions; including established strategies such as Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative *("PAARI");*
Treatment	DD1.2	Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions; including established strategies such as Active outreach strategies such as the Drug Abuse Response Team *("DART') model*
Treatment, and Harm Reduction	DD1.3	Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions; including established strategies such as "Naloxone Plus" strategies, which work to ensure that individuals who have received naloxone to

Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery Support, Research/Evaluation of Abatement Strategy Efficacy)

		reverse the effects of an overdose are then linked to treatment programs or other appropriate services;
Treatment	DD1.4	Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions; including established strategies such as Officer prevention strategies, such as the Law Enforcement Assisted Diversion *("LEAD")* model;
Treatment	DD1.5	Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions; including established strategies such as Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative
Treatment	DD1.6	Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions; including established strategies such as Co-responder and/or alternative responder models to address ODD-related 911 calls with greater SUD expertise
Treatment	DD2	Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services
Treatment, and Recovery Support	DD3	Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions
Treatment	DD4	Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any cooccurring SUD/MH conditions who are incarcerated in jail or prison
Treatment	DD5	Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co occurring SUD/MH conditions who are leaving jail or prison or have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities

Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery Support, Research/Evaluation of Abatement Strategy Efficacy)

Treatment	DD6	Support critical time interventions *("CTI"),* particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings
Education/ Training	DD7	Provide training on best practices for addressing the needs of criminal justice involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section
Recovery Support, and Treatment, and Primary Prevention	EE1	Support evidence-based or evidence-informed treatment, including MAT, recovery services and supports, and prevention services for pregnant women---or women who could become pregnant-who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by Neonatal Abstinence Syndrome
Treatment, and Recovery Support	EE2	Expand comprehensive evidence-based treatment and recovery services, including MAT, for uninsured women with OUD and any co-occurring SUD/MH conditions for up to 12 months postpartum
Education/ Training	EE3	Provide training for obstetricians or other healthcare personnel who work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions
Treatment, and Recovery Support	EE4	Expand comprehensive evidence-based treatment and recovery support for NAS babies; expand services for better continuum of care with infant-need dyad; and expand long-term treatment and services for medical monitoring of NAS babies and their families
Education/ Training	EE5	Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with NAS get referred to appropriate services and receive a plan of safe care
Recovery Support	EE6	Provide child and family supports for parenting women with OUD and any co occurring SUD/MH conditions

Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery
Support, Research/Evaluation of Abatement Strategy Efficacy)

Recovery Support	EE7	Provide enhanced family support and childcare services for parents with OUD and any co-occurring SUD/MH conditions.
Recovery Support	EE8	Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events
Recovery Support	EE9	Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including, but not limited to, parent skills training
Education/ Training	EE10	Provide support for Children's Services-Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use
Education/ Training	FF1	Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the CDC's Updated Clinical Practice Guideline for Prescribing Opioids, the Tennessee Department of Health Chronic Pain Guidelines, and current evidence.
Education/ Training	FF2	Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids
Education/ Training	FF3	Continuing Medical Education (CME) on appropriate prescribing of opioids
Education/ Training	FF4	Providing Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.
Education/ Training, and Research/ Evaluation of Abatement Strategy Efficacy	FF5.1	Supporting enhancements or improvements to Prescription Drug Monitoring Programs *("PDMPs"),* including, but not limited to, improvements that Increase the number of prescribers using PDMPs

This format was created to assist with reporting on funding received by Tennessee counties and community grants.

Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery Support, Research/Evaluation of Abatement Strategy Efficacy)

Education/ Training and Research/ Evaluation of Abatement Strategy Efficacy	FF5.2	Supporting enhancements or improvements to Prescription Drug Monitoring Programs *("PDMPs"),* including, but not limited to, improvements that Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both;
Education/ Training and Research/ Evaluation of Abatement Strategy Efficacy	FF5.3	Supporting enhancements or improvements to Prescription Drug Monitoring Programs *("PDMPs"),* including, but not limited to, improvements that Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience OUD in a manner that complies with all relevant privacy and security laws and rules
Research/ Evaluation of Abatement Strategy Efficacy	FF6	Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database in a manner that complies with all relevant privacy and security laws and rules
Education/ Training	FF7	Increasing electronic prescribing to prevent diversion or forgery.
Education/ Training	FF8	Educating dispensers on appropriate opioid dispensing
Primary Prevention	GG1	Funding media campaigns to prevent opioid misuse.
Primary Prevention	GG2	Corrective advertising or affirmative public education campaigns based on evidence.
Primary Prevention	GG3	Public education relating to drug disposal.
Primary Prevention	GG4	Drug take-back disposal or destruction programs.
Primary Prevention	GG5	Funding community anti-drug coalitions that engage in drug prevention efforts
Primary Prevention	GG6	Supporting community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction-including

This format was created to assist with reporting on funding received by Tennessee counties and community grants.

Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery
Support, Research/Evaluation of Abatement Strategy Efficacy)

		staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration *("SAMHSA").*
Primary Prevention	GG7	Engaging non-profits and faith-based communities as systems to support prevention
Primary Prevention	GG8	Funding evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.
Primary Prevention	GG9	School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids
Primary Prevention	GG10	Create or support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.
Primary Prevention	GG11	Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills
Education/ Training	GG12	Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or another drug misuse
Harm Reduction	HH1	Increased availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public
Harm Reduction	HH2	Public health entities providing free naloxone to anyone in the community

Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery
Support, Research/Evaluation of Abatement Strategy Efficacy)

Education/ Training	HH3	Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public
Harm Reduction	HH4	Enabling school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support
Harm Reduction	HH5	Expanding, improving, or developing data tracking software and applications for overdoses/naloxone revivals
Harm Reduction	HH6	Public education relating to emergency responses to overdoses
Harm Reduction, and Education/ Training	HH7	Public education relating to immunity and Good Samaritan laws
Education/ Training	HH8	Educating first responders regarding the existence and operation of immunity and Good Samaritan laws.
Harm Reduction	HH9	Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs
Harm Reduction	HH10	Expanding access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use
Harm Reduction	HH11	Supporting mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions
Education/ Training	HH12	Providing training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions
Education/ Training	HH13	Supporting screening for fentanyl in routine clinical toxicology testing

This format was created to assist with reporting on funding received by Tennessee counties and community grants.

Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery
Support, Research/Evaluation of Abatement Strategy Efficacy)

Education/ Training	II1	Education of law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs
Education/ Training	II2	Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events
Treatment, and Primary Prevention, and Harm Reduction, and Recovery Support	JJ1	Statewide, regional, local or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services, and to support training and technical assistance and other strategies to abate the opioid epidemic described in this opioid abatement strategy list
Research/ Evaluation of Abatement Strategy Efficacy	JJ2	A dashboard to (a) share reports, recommendations, or plans to spend opioid settlement funds; (b) to show how opioid settlement funds have been spent; (c) to report program or strategy outcomes; or (d) to track, share or visualize key opioid- or health-related indicators and supports as identified through collaborative statewide, regional, local or community processes
Treatment, and Primary Prevention, and Harm Reduction, and Recovery Support	JJ3	Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list
Research/ Evaluation of Abatement Strategy Efficacy	JJ4	Provide resources to staff government oversight and management of opioid abatement programs
Education/ Training	KK1	Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis
Education/ Training	KK2	Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent

This format was created to assist with reporting on funding received by Tennessee counties and community grants.

Remediation List Strategies

(Primary Prevention, Treatment, Harm Reduction, Education/Training, Recovery Support, Research/Evaluation of Abatement Strategy Efficacy)

		overdoses, and treat those with OUD and any co- occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (e.g., health care, primary care, pharmacies, PDMPs, etc.).
Research/ Evaluation of Abatement Strategy Efficacy	LL1	Monitoring, surveillance, data collection and evaluation of programs and strategies described in this opioid abatement strategy list.
Primary Prevention	LL2	Research non-opioid treatment of chronic pain
Primary Prevention	LL3	Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders
Research/ Evaluation of Abatement Strategy Efficacy	LL4	Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips
Research/ Evaluation of Abatement Strategy Efficacy	LL5	Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids
Research/ Evaluation of Abatement Strategy Efficacy	LL6	Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (e.g., Hawaii HOPE and Dakota 24/7).
Research/ Evaluation of Abatement Strategy Efficacy	LL7	Epidemiological surveillance of OUD-related behaviors in critical populations, including individuals entering the criminal justice system, including, but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring *("ADAM")* system
Research/ Evaluation of Abatement Strategy Efficacy	LL8	Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.
Research/ Evaluation of Abatement Strategy Efficacy	LL9	Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes
