Certified Online Instructor (Learning Resources Network [LERN])

2013

PROFESSIONAL EXPERIENCE

Middle Tennessee State University

Murfreesboro, TN

Professor, Family Nurse Practitioner Program Coordinator

August 2005 – Present

- Serve as a doctorally prepared Family Nurse Practitioner in the Family Nurse Practitioner program, delivering graduate-level education, mentorship, and academic advising to future advanced practice nurses in both asynchronous and emerging hybrid formats.
- Design, develop, and teach a broad range of specialty FNP courses, with a focus on clinical decision-making, advanced health assessment, primary care management, and role development in advanced nursing practice.
- Lead curriculum innovation for a historically online program integrating synchronous learning opportunities and on-campus immersive experiences aligned with best practices in nurse practitioner education.
- Contribute to academic excellence and program quality through active participation in the School of Nursing's Curriculum Committee, Program Effectiveness Committee, and Admissions Committee, ensuring alignment with institutional goals and regulatory standards.
- Support national accreditation efforts by preparing Tennessee Board of Nursing (BON) documents, the Commission on Collegiate Nursing Education (CCNE) self-study documents, contributing to continuous quality improvement, and actively participating in accreditation site visits.

- Engage in professional service through faculty governance, mentorship of new faculty, and promotion of student success and programmatic outcomes within a collaborative academic environment.
- Online teaching of MSN FNP students in the current curriculum in the following courses:
 - Health Promotion and Disease Prevention
 - Family Healthcare Diagnosis and Management I and Clinical
 - Family Healthcare Diagnosis and Management II and Clinical
 - Family Healthcare Diagnosis and Management Intensive Clinical (III)
- Responsible for keeping course content current in all three FNP Specialty Courses
- Coordinator and new developer for Family Healthcare Diagnosis and Management I and Clinical (Spring 2023 – Present)
- Course Developer and Coordinator for the FNP program courses (Spring 2021 – Present) – Responsible for keeping course content current in all three FNP specialty courses
 - Family Healthcare Diagnosis and Management II and Clinical
 - Family Healthcare Diagnosis and Management Intensive Clinical (III)
- Developer, coordinator, and instructor for FNP specialty courses for the original FNP program from August 2005 to December 2021.
- Associate Director, Online Programs, School of Nursing (2008 – 2011)

Murfreesboro Medical Clinic (MMC) Now

Murfreesboro, TN

Family Nurse Practitioner, PRN

October 2025 – Present

- Provide evidence-based assessment, diagnosis, and management of acute conditions across the lifespan, improving same-day access to high-quality care.
- Collaborate with interdisciplinary teams to ensure seamless continuity of care, utilizing voice software and EHR documentation to support positive clinical outcomes.

Ascension Medical Group/Hickman Express Care

Nashville, TN

Family Nurse Practitioner, PRN

February 2022–Present

- Provide comprehensive patient care, including taking histories, performing physical examinations, and ordering diagnostic tests.
- Assess and diagnose patients with acute and urgent care conditions.
- Develop and implement patient management plans that include ordering and interpreting diagnostic tests, managing medications, providing patient education, and counseling.
- Participate in interdisciplinary communication and collaboration with other providers.
- Maintained accurate documentation of patient encounters and management plans in the electronic health record.

NIVATE Online, LLC

Murfreesboro, TN

Course Designer/Course Development/Management – Informatics

January 2006 – July 2024

- Designed online modules focused on the integration of informatics into undergraduate nursing curricula.
- As one of two LLC members, we created 18 informatics modules using Articulate and other software programs.
- Collaborated with faculty at five universities to integrate modules into existing curricula.
- Supported students and faculty throughout the academic year.

Best Weigh Clinics

Murfreesboro, TN

Family Nurse Practitioner, PRN

March 2019 – February 2022

- Provided comprehensive patient assessment, including evaluating patient medical history, lifestyle habits, and health conditions.

- Developed personalized management plans integrating medical, nutritional, and behavioral plans to meet each patient's needs.
- Provided counseling and education on nutrition, exercise, and strategies for sustainable weight management.
- Monitored patient progress and adjusted management plans as indicated.

Take Care Health Services

Nashville, TN

Family Nurse Practitioner, PRN

January 2014 – Fall 2015

- Provided comprehensive patient care, including taking histories, performing physical examinations, and ordering diagnostic tests.
- Assessed and diagnosed patients with acute and urgent care conditions.
- Developed and implemented patient management plans that included ordering and interpreting diagnostic tests, medication management, patient education, and counseling.

Total Clinical Placement System

Murfreesboro, TN

Data Management Coordinator, PRN

2009 – 2014

- Streamlined and coordinated the management of clinical placement data for schools of nursing and local healthcare facilities.
- Ensured accuracy and integrity of data entry.
- Facilitated the process of requesting, approving, and reporting on clinical placements.
- Backed up data and created new placements as needed.

The Little Clinic

Murfreesboro, TN

Family Nurse Practitioner, PRN

2009 – 2011

- Provided comprehensive patient care, including taking histories, performing physical examinations, and ordering diagnostic tests.
- Assessed and diagnosed patients with acute and urgent care conditions.
- Developed and implemented patient management plans that included ordering and interpreting diagnostic tests, medication management, patient education, and counseling.
- Maintained accurate documentation of patient encounters and management plans in the electronic health record.

Rutherford County Primary Care & Hope Clinic

Murfreesboro, TN

Family Nurse Practitioner, PRN

2006 – 2009

- Provided comprehensive patient care, including taking histories, performing physical examinations, and ordering diagnostic tests.
- Assessed, diagnosed, and managed patients with acute and chronic conditions.
- Developed and implemented patient management plans that included ordering and interpreting diagnostic tests, medication management, patient education, and counseling.
- Participated in interdisciplinary communication and collaboration with other providers.
- Maintained accurate documentation of patient encounters and management plans in the electronic health record.

University of Memphis, Lowenberg School of Nursing

Memphis, TN

Adjunct Teaching Faculty Member

2006 – 2009

- Served as adjunct faculty for the University of Memphis Loewenberg School of Nursing as part of a collaborative agreement while holding a full-time faculty appointment at Middle Tennessee State University.

- Instructed graduate-level Family Nurse Practitioner students in advanced practice nursing coursework, emphasizing clinical reasoning, evidence-based care, and role development.
- Contributed to the academic partnership between public institutions by supporting curricular consistency, fostering inter-university collaboration, and mentoring future advanced practice nurses.

Women's Health Group,

Murfreesboro, TN

Family Nurse Practitioner, PRN

2006 – 2007

- Provided comprehensive gynecologic care to adolescent and adult women, including well-woman exams, Pap smears, STI screening and treatment, and contraceptive counseling.
- Managed common GYN concerns such as abnormal uterine bleeding, pelvic pain, vaginal infections, and perimenopausal symptoms using evidence-based practice guidelines.
- Collaborated with the board-certified gynecologists on site to develop individualized treatment plans and facilitate referrals as needed.
- Educated patients on reproductive health, menstrual cycle management, fertility awareness, and menopause transition, promoting informed decision-making and preventive care.

Middle Tennessee State University, Student Health Services

Murfreesboro, TN

Family Nurse Practitioner, PRN

2002 – 2005

- Delivered evidence-based primary and women's health care to a diverse student population, including contraception counseling, STI testing and treatment, menstrual disorders, and pelvic exams.
- Managed acute and chronic conditions commonly seen in the college-age population, integrating preventive screenings into holistic care plans.
- Educated students on health promotion, disease prevention, and self-advocacy.

Baptist Care Center

Murfreesboro, TN

Family Nurse Practitioner, PRN

1998 – 2002

- Provided prompt evaluation and treatment of acute illnesses and minor injuries in a high-volume urgent care setting.
- Delivered occupational health services such as pre-employment physicals, DOT exams, drug and alcohol testing, and management of work-related injuries.
- Educated patients on return-to-work guidelines, injury prevention, and workplace ergonomics, promoting safe and timely recovery.

Belmont University

Nashville, TN

Instructor and Assistant Professor, Tenured

1998 – 2005

- Educated graduate-level Family Nurse Practitioner students in core courses, including Theoretical Foundations of Advanced Practice Nursing, Advanced Pathophysiology, Advanced Health Assessment, and Primary Care Management.
- Developed and delivered evidence-based, learner-centered content that integrated current clinical guidelines, diagnostic reasoning, and critical thinking in both didactic and clinical settings.
- Utilized diverse instructional strategies to promote clinical skills, diagnostic reasoning, and application of evidence-based practice among FNP students.
- Participated in faculty governance to support program quality, student success, and compliance with institutional and national standards.

Tennessee Department of Health (TDH)

Nashville, TN

Family Nurse Practitioner, Nurse Colposcopist, and Cryotherapy

1996 - 2001

- Performed advanced gynecologic procedures, including colposcopy, cervical biopsy, and cryotherapy for patients with abnormal cervical cancer screening results per the American Society for Colposcopy and Cervical Pathology (ASCCP) and TDH clinical guidelines.
- Delivered follow-up care, patient counseling, and care coordination for women with high-risk HPV and abnormal cytology, ensuring timely treatment and access to diagnostic services in underserved communities.
- Maintained high standards of documentation, quality assurance, and compliance with TDH protocols for colposcopic procedures and reproductive health services.
- Contributed to regional efforts to reduce cervical cancer incidence through education, early detection, and evidence-based clinical management within public health clinics.

Tennessee Department of Health, Williamson County

Franklin, TN

Family Nurse Practitioner

1994 – 1998

- Delivered primary and preventive care services to individuals and families in Williamson County through state-supported public health clinics, including immunizations, chronic disease management, and reproductive health.
- Provided comprehensive women's health services, including cervical cancer screening, family planning counseling, and STI testing and treatment per Title X and TDH guidelines.
- Participated in training to become a certified nurse colposcopist and provider of cryotherapy, providing affordable, accessible evaluation and management for patients across the middle and upper Cumberland communities.

United Neighborhood Health Services

Nashville, TN

Family Nurse Practitioner

1994

- Delivered primary care services to pediatric, adult, and geriatric populations in a high-need urban housing project, addressing acute, chronic, and preventive health needs.
- Coordinated care with behavioral health, social services, and community organizations to support holistic patient care.
- Advocated for health equity by promoting access to immunizations, chronic disease screenings, mental health support, and nutrition services within the community.

Metro Nashville Health Department

Nashville, TN

Family Nurse Practitioner

1993 – 1994

- Delivered comprehensive primary and preventive care to diverse populations within public health clinics, including underserved and uninsured.
- Provided women's health, sexual and reproductive health, immunizations, and chronic disease management in alignment with local and state public health initiatives.
- Promote population health through patient education, community outreach, and linkage to supportive services.

Tennessee Department of Health, Dickson, Houston, & Humphries Counties

Dickson, TN

Family Nurse Practitioner

1991 – 1993

- Provided comprehensive women's health services—including family planning, gynecologic exams, and menopause management—to diverse populations in rural and underserved areas.
- Delivered primary care across the lifespan, managing acute and chronic conditions according to Tennessee Department of Health protocols.
- Fostered access to care through patient-centered education, culturally sensitive communication, and integration of community resources.

- Collaborated with multidisciplinary teams and public health entities to coordinate care, improve preventive health outcomes, and reduce barriers based on income.

Metro Nashville General Hospital

Nashville, TN

Family Nurse Practitioner/GYN Consultant for Sexual Assault Victims

1991 – 1993

- Performed comprehensive gynecologic and forensic evaluations for sexual assault survivors, including evidence collection, injury documentation, STI screening, prophylaxis, and trauma-informed medical care.
- Collaborated with a multidisciplinary team to ensure coordinated, patient-centered care
- Documented findings for legal use and provide expert written reports and courtroom testimony when requested.
- Educated healthcare providers and community partners on best practices in sexual assault medical management, emergency contraception, and post-assault follow-up care.

Metro Nashville General Hospital, OUR Kids Clinic

Nashville, TN

Family Nurse Practitioner/Child Physical and Sexual Abuse Evaluations

1989 – 1991

- Conducted detailed evaluations of pediatric patients presenting with suspected physical or sexual abuse, including photo documentation and evidence collection per protocol.
- Collaborated with multidisciplinary teams—such as child protection services, law enforcement, and legal professionals—to ensure accurate documentation, timely intervention, and trauma-informed care planning.
- Provided expert written reports and courtroom testimony regarding medical findings in child abuse cases, integrating clinical evidence with legal and social service considerations.
- Applied trauma-informed care principles to minimize re-traumatization during evaluations, ensuring developmentally appropriate communication and culturally sensitive care.
- Educated patients, caregivers, and community partners about signs of abuse, mandated reporting requirements, and appropriate follow-up services and referrals.

Metro Nashville General Hospital

Nashville, TN

Registered Nurse, Neonatal Intensive Care Unit

1987 – 1989

Vanderbilt University Medical Center

Nashville, TN

Nurse Registry

1988 – 1989
