

SGA Referendum No. 6-03-5

*passed
(w/ amendments)*

A REFERENDUM TO OPEN ALL WHITE SPACES ON CAMPUS AT 5:30 PM.

Whereas: There is a major discrepancy, because there are two different times that white spaces open up for all permits on campus, **AND**

Whereas: Since most night classes begin at 6:00 PM, it puts an extra burden on students to find a space that does not open until 6:30 PM, **AND**

Whereas: Most white spaces are vacated after 5:30, **AND**

Whereas: Also, with the unusual amount of crime currently on campus, the students' safety should be considered. In the fall and winter months when it becomes dark around 5:15 PM, students should not be made to walk through empty white lots reserved until 6:30 PM to attend a class that does not let out until 8:00.

THEREFORE, BE IT RESOLVED BY THE ~~65TH~~ SGA CONGRESS THAT:

Section 1. On the ballot students be asked the question, "Should all white spaces on campus be open to students at 5:30 PM?"

Section 2. Once voted on by ~~all~~ MTSU Students, the results should be published in a manner that all media, including faculty, should be ~~aware~~ of them.
