

SGA Resolution No. 15-04-F

A Resolution to erect an emergency call tower on the west side of campus (Between Peck Hall and JUB and behind the Science building.

Whereas: All other areas on campus have an emergency call tower for use during an urgent situation,

Whereas: Two females have previously been raped around this area of campus, and constructing an emergency call tower would reduce the likelihood of this type of assault happening,

Whereas: Students have been robbed and looted, in this area of campus,

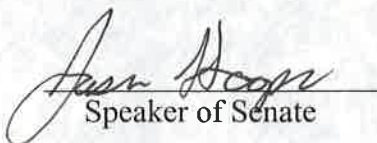

Whereas: By placing an emergency call tower at this location, there will be a decrease in the rate of crime on campus, because security would be tighter,

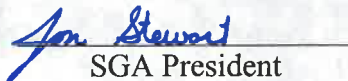

Whereas: By placing an emergency call tower at this location, this area of campus would be safer for students at any time of the day, and security would be able to react faster to crimes,

THEREFORE, LET IT BE RESOLVED BY THE 67TH CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MTSU THAT:

Section 1: An emergency call tower be placed on the west side of campus between Peck Hall and JUB and behind the Science building.
