RE: SGA Resolution 1-12-S

DATE: February 17, 2012

I am forwarding the attached legislation requesting that a three-way stop sign be placed at the entrance to the parking lot between the Mass Communication Building and the Honors Building.

Resolutions passed by the Student Government Association are generally understood to be recommendations. Legislation resulting in these resolutions is brought before the SGA by any one or more members of the Senate, and is generally subject to debate within the senate. Senate meetings are open to the full student body, and thus debates are sometimes observed by and/or joined by students other than SGA senators.

Once a resolution has been passed by the Senate, I forward that resolution to the administrator or department most likely to benefit from reviewing the student recommendation. Resolutions are not binding upon administrators or departments, but are generally regarded as expressing the will of the Senate on the issue brought before them. I generally ask the administrator to whom I have forwarded the resolution for some timely response that helps SGA to understand the potential feasibility of the proposal. If, in your opinion, the resolution requests action which is not feasible, I ask for your help in explaining why it is not practical, affordable, or otherwise in the best interest of the university.

In the immediate instance, I believe it would be appropriate for you to review the SGA's recommendation and provide such a response to me within 30 days. Please contact Jeremy Poynter, SGA President, or Dr. Danny Kelley if you have any questions regarding this legislation.
