---

**Newtona (Tina) Johnson, Director**  
James Union Building 308

The Women's Studies Program offers the Women's and Gender Studies minor to enhance students' knowledge and understanding of gender issues and the position of women in society. The program encourages a historically grounded comparative, global feminist perspective. All courses are informed by theories of the social construction of gender and address issues of diversity including race, ethnicity, class, sexual orientation, nationality, age, and/or ability. The program emphasizes an interactive learning process and promotes scholarly research.

**Students may minor in one of two tracks: Women's Studies or Gender Studies.**

Upon selecting the Women's and Gender Studies minor, students should complete a Minor Information Form and obtain advising through the program director.

## General Requirements

All students considering a minor in Women's and Gender Studies should take WMST 2100 as part of General Education requirements. All minors (both tracks) must also take WMST 4500 (completion of WMST 2100 and junior/senior standing required) plus 12 additional hours within an interdisciplinary structure as described below.

### Gender Studies Track

The Gender Studies track consists of courses that take a feminist approach to offer students knowledge and experience that facilitate intelligent and informed choice and communication regarding the socially constructed meaning of gender and gender issues within our multicultural, globalized society.
